

# LIVE FIRE CREDENTIAL: FIXED FACILITY

The ISFSI Live Fire Fixed Facility Instructor Credential Program is a unique blend of distance learning and an intense three day hands-on academy focusing on the responsibilities of instructors charge with important safety duties of a live fire instructor. This house is based on the NFPA 1403 Standard on Live Fire Training. Students will complete an extensive on-line course prior to the hands-on-portion and will challenge a series of written and practical examinations to earn this three year credential.

## Program Highlights:

- Instructor responsibilities in operations of permanent gas fired and Class A combustible fueled live fire training structures
- Creating and implementation of a sample pre-burn plan
- Emergency planning and operations
- Working with students in live fire conditions
- Review of current industry research involving live fire conditions
- Application of duties to ignition officer, safety officer and instructor-in-charge
